SUPPLEMENTARY INFORMATION:

I. Background

Under section 1115 of the Social Security Act (the Act), the Department of Health and Human Services (HHS) may consider and approve research and demonstration proposals with a broad range of policy objectives. These demonstrations can lead to improvements in achieving the purposes of the Act.

As part of our established procedures, we normally publish a monthly notice in the Federal Register with a listing of all new submissions, pending proposals, approvals, disapprovals, and withdrawn proposals. Proposals submitted in response to a grant solicitation or other competitive process are reported as received during the month that such grant or bid is awarded, so as to prevent interference with the awards process. In the month of December we received no new proposals and no changes to pending proposals.

II. New, Pending, Approved, and Withdrawn Proposals for the Month of January 1996

During the month of January 1996 we received no new Comprehensive Health Reform Programs or Other Section 1115 Demonstration Proposals. We did not approve or disapprove any proposals during January 1996 nor were any proposals withdrawn during that

month. Pending proposals for the month of November, 1995 published in the Federal Register on January 23, 1996, 61 FR 1769, remain unchanged for the month of January.

III. Requests for Copies of a Proposal

Requests for copies of a specific Medicaid proposal should be made to the State contact listed for the specific proposal in the notice published on January 23, 1996. If further help or information is needed, inquiries should be directed to HCFA at the address above.
